

THE APPEAL.

MISSISSIPPI NEWS.

SUGGESTIONS FOR GOVERNOR.—The Bishop describes his communication suggesting the bill to the Legislature as follows:—The friends of Democracy for the office of Governor, and the Holy Springs *Herald*, of late, publish two communications on the same subject—one urging the Hon. R. S. GRIER, and the other the Hon. T. J. HUNTER, for the same high office. All of the gentlemen mentioned are honest, capable, and worthy of the highest station in the State.

MISSISSIPPI PEACEABLE.—We have received a copy of the report of the officers of the Insane. From it we learn that the sum of \$10,000 was paid to the State, in 1846—leaving only four dollars unexpended.

OF THE CONVICTS.—75 were incarcerated for larceny, 20 for forgery, 10 for grand larceny, 20 for stealing, 22 of the convicts are farmers; 24 no trade, and 15 laborers; 25 were born in Ireland; 15 in Mississippi, and 13 in Tennessee. No county has 25 representatives.

ADM. ADAMS.—Since our last issue, the Supreme Court has issued a writ of habeas corpus, commanding the idea of releasing the negroes held in custody before the entry of the De Soto. His Honor Judge COOK, deserves credit for his efforts to have the business being done up to *Horatio Green*.

The same paper has the following account of the revolt among Mr. DANBROOK's negroes, which was noticed a few days since in the *Appeal*:

REVIEW.—On Tuesday last, six negro men, the slaves of Mr. DANBROOK, a De Soto county, conceived the idea of revolting against their master and demands to be set free, which was demanded. In the meantime, Mr. DANBROOK, sent for the sheriff, who summoned a posse, and proceeded to the house of Mr. DANBROOK. The sheriff and posse appeared—the negroes had fled to the woods; fortunately a pack of negro dogs had been sent to the woods, and captured all but one. One of the negroes was severely beaten and crippled very badly before he was allowed to escape. The sheriff, however, the master, and ordered the sheriff to give such negroes strict punishment.

We are told that liquor was the cause of the disturbance, which was given to them by a negro.

MAIL ON THE MOBILE AND OHIO RAILROAD.—The Abbeville *Scaly News* says:

"We understand that the Post Office Department has raised the Mobile and Ohio Railroad to a third class road, and therefore has made no addition to the expenses of the company, which the company considers reasonable. Such conduct on the part of the Department, we consider, is a violation of the spirit of the law, and deserving. The citizens of Enterprise recently held a meeting protesting against the action of the Post Office Department, which has surely undervalued the grade of the road, and it is due to the people of Mississippi that the action of the Department should be recommended."

ALABAMA NEWS.—The election for Mayor of Huntsville took place yesterday. We understand it was to be warmly contested.

THE BRANCH RAILROAD.—R. M. PATTON, agent for Memphis and Charlotte Railroad Company, will write to the Legislature, asking for a bill to prohibit the *Mobile & Ohio* from buying the *Branch* if they do not make a full payment for the *Branch* which they now own.
